PROJECTS

Thereactshoppingcart

E-commerce website using commerce.js for the backend and strip for credit card payment

https://thereactshoppingcart.netlify.app

Reactgamesearch

Search upcoming games, popular games, and new games with this beautiful responsive website.

https://reactgamesearch.netlify.app

Thereactmusicplayer

Listen to the chill vibe and just be in the zone. This is the type of music I listen to when I code. Check it out.
